The *Falcon* BULLETIN

OCTOBER 1990

NEW FORMAT BEGINS

We launch with this issue a new format for news and features for members of the Falcon Club of America.

Following weeks of consultation, planning, and board approval, the new format will provide for a monthly **The Falcon Bulletin** with a quarterly **The Falcon News**. This new format will provide 16 total issues per year rather than the current 12. We believe FCA members will receive more news and features under this new format.

The Falcon Bulletin, the monthly, will contain calendar, chapter news, meet announcements, classified, advertisements, etc. This piece is basically a newsletter in purpose.

The Falcon News, the quarterly, will be of a magazine format, and will contain feature articles and pictures (no advertising).

In addition, a directory of FCA members will be published annually.

Please continue to send reports, news, event announcements, features, pictures, etc. to the Editor so that these publications will be well-rounded.

THE FALCON BULLETIN is published monthly by The Falcon Club of America with information from its members. The Falcon Club of America, Inc., is a non-profit organization dedicated to preserving the FALCON automobile built by the Ford Motor Co. from 1960 to 1970. Roy E. Sword founded the world wide club in 1979. It is incorporated under the laws of the State of Arkansas. Yearly dues to the Falcon Club of America are \$17 (\$22 outside the United States), and are payable to: The Falcon Club of America, P.O. Box 113, Jacksonville, AR 72076. Changes of Address should be sent to: the Falcon Club of America, P.O. Box 113, Jacksonville, AR 72076. Copy for publication should be sent to G. B. Netterville, Editor, 6621 Highway 100, Nashville, TN 37205-4226. Copy must be received by the 1st of the month preceding date of issue.

PRESIDENT'S MESSAGE

I thought maybe those of you who don't know me would like to know a little about your new President.

I am 44 years old. I was born and raised on a farm in western Kansas. After two years of college at Adams State, Alamosa, CO, I went on to Barber College in Wichita, KS. I have been barbering since my graduation in 1965.

I've been married to Diane for 25 years in July. We have two daughters, Tina and Toni, and a granddaughter, Mandy.

My first car was a new 61 Ranchero and I've been a Falcon fan ever since. We own 3 65 Sprint Hardtops, a 64 Sprint Hardtop, 2 65 Deluxe Rancheros, a 65 Futura Wagon, and a 68 Sport Coupe.

I was real excited to learn about the FCA in Hemmings Motor News. My FCA number is 73. Diane and I have been to all the FCA Nationals and most of the Regional meets. With the help of some super friends, who are interested in Falcons too, I founded the Mid-America Chapter. I was the first Partsmaster, then on the Board of Directors, Vice-President for a few years, and now your FCA President.

I would like to take this opportunity to thank you for showing your confidence in me to elect me as your President. The FCA is a great club made up of really terrific people. I will do my best to serve you. Thanks,--Jim Hatcher, FCA President

VICE-PRESIDENT'S MESSAGE

I address a subject that should be of MAJOR CONCERN TO ALL--cheap insurance called a fire extinguisher. Jim Hatcher, FCA President, mentioned that less than a dozen fire extinguishers were in evidence in St. Louis. That leaves over 130 of the world's best examples of the Falcon automobile unprotected. The sadness in this is, YOU WILL NEVER LOSE POINTS, YOUR CLASS, YOUR CAR, NOR YOUR LIFE BECAUSE A FIRE EXTINGUISHER IS IN YOUR CAR!

Please, all of you, purchase the proper type (ABC for all types of fires, or BC for fuel and electrical fires) of fire extinguisher, install it in a readily accessible location and instruct your family on proper use. Contact your local fire department or Coast Guard and invite them to your next Chapter meeting to speak on vehicle safety and the different classifications of fires and fire extinguishers. Most of these departments are excited about educating the public on this subject.

One point to always remember--if you have an underhood fire, DO NOT THROW THE HOOD OPEN! The sudden rush of fresh air will fuel the fire to your face before you can slam the hood shut. Instead, with extinguisher "on ready," get down low and lift the coolest corner of the hood using a jack handle, stick, or whatever is available, spray the base of the flames and above all, be careful!

Let's see EVERY FALCON PROTECTED with an extinguisher in Oklahoma City for the next National Convention. Love Ya All--Marty

A LETTER OF THANKS

8/28/90--Well, it's all over now. Our Chapter is now resting up and trying to get things in order to finish up loose ends left over from the 11th National Convention. From our Chapter to all FCA members who did attend, we thank you for coming! We hope it was a fun-filled 3 days in St. Louis. We enjoyed hosting this past convention. A lot of planning was done by Gateway Chapter members. Thank you for coming, hope to see a lot of FCA members in Hot Springs October 26-27. Good luck to the Sooner Chapter for the 1991 12th National Convention. Again, thanks for coming to your 11th National FCA Convention August 9-11, in St. Louis, MO. Rich Tribout, Gateway Chapter President

CHAPTERS

THE FOUNDER'S CHAPTER met Saturday, August 24th, at Bill and Kathy Woodell's, in Searcy, AR for a hamburger cook-out with 20 present, including Don and Lou Heathcott from the Frontier Chapter. The new officers elected are: President--Roy Sword; Vice-President--Ezra Wingfield; Secretary--Sandy Menzie; Treasurer--Pat Sword. Plans were discussed for our Regional Meet in Hot Springs, AR October 26-27. The next meeting will be September 8 at Jim and Ruby Throgmorton's home in Jacksonville, AR.

THE GATEWAY CHAPTER met August 26th at Shoney's Restaurant for the regular monthly meeting. Now that the 1990 Convention is over, we were able to discuss what did instead of what we still have to do! After a brief business meeting we watched a video of the Convention provided by Larry Henderson, which included two TV interviews by channels 4 and 5 in St. Louis for their newscast covering the Convention. It was really good coverage and drew a lot of attention from the TV viewers. We also passed around a good collection of snapshots taken by our Chapter Photographer Jim Inman, and shots taken for the picture parade. For a brief run-down on the Convention: we had 136 cars and trucks in the show, 197 registrations, approximately 25 new and used parts vendors, approximately 425-250 in total attendance at the Convention. There were 338 at the Banquet, 240 at the barbecue, 140 at the 50's-60's Dance, and 65 went on the "Spirit of St. Charles" river cruise. Three busloads of 47 each went on the tours on Friday. The Gateway members tried really hard to put on a good Convention, and we hope everyone enjoyed themselves and had a safe trip home. We thank everyone for coming and making it a success because attendance is the most important factor. We would also like to thank all the parts vendors who came and provided a very good selection of new and used parts and a few cars to sell. Finally, thanks to the Sooner State Chapter members who provided all the games and neat trophies. Everyone who participated and those who watched had a lot of fun. We hope to see more of them next year. The weather even cooperated beautifully with sunshine and mile temperatures to cap off a fantastic week-end.

THE HOOSIER CHAPTER had a great turnout for our July Cruise-In at Bill's Fabulous 50's Drive-In. We had seven Falcons: John Sizelove, Mr. and Mrs. Paul Hammersley, Mr. and Mrs. Chuck Bardonner, John Havens, Larry White, Mr. and Mrs. Merl Haynes and children, Mr. and Mrs. Dan Brancolini; Cliff, Danny, and Lorie Smith.

THE KEYSTONE CHAPTER hosted 38 Falcons at Macungie, PA's Das Awscht Fescht August 5. Although continual rain kept some away, a good time was had by all. On August 25 the Chapter met at the Sinking Spring Drive-In. At least 15 Falcons were there and the Chapter benefited not only in having 3 new members but also winning a \$50 prize for being the club with the most cars in attendance. The 1990 season concludes with the Second Eastern Regional Meet in Toms River, NJ, September 14-15.

FALCON CLUB RECEIVES APOLOGY

Mr. Richard P. Braskett, General Manager of the Harley Hotel of St. Louis, has written a letter to the Falcon Club of America apologizing for inconveniences to club members. Part of the letter reads as follows: "I would like to offer you and the members of the Board of the Falcon Club my sincere apology for the difficulties that you experienced during your group's function at the Harley Hotel of St. Louis. . . . It is my hope that the services that we were able to offer to your people helped to compensate for some of the inconvenience that was experienced. . . ."

As those who attended the National know, the hotel was overbooked for that week-end.
